Storm Data and Unusual Weather Phenomena - May 2011

Location	Date/Time	Deaths & Injuries	Property & Crop Dmg	Event Type and Details					
Lightning started this wildfire in New Mexico, which eventually spread into Colorado burned around 6900 acres in south central Las Animas County southeast of Trinidad. Over 300 firefighters were on the Bear Fire, and three were treated for minor burns. The Governor declared Las Animas County a disaster area. The wildfire was not contained until June.
